

THE MEN'S CENTER Presents

THRIVING AFTER SEXUAL ABUSE

A Forum for Adult Male Survivors of Sexual Trauma

The forum will encompass a series of six (90 - minutes)
psycho-educational discussion meetings.

Topics Discussed:

- Recognizing the impact and consequences of the abuse
- Identifying societal and familial expectations
- De-mythologizing the perpetrator and his/her grooming behaviors
- Redefining masculinity and sexuality
- Developing and maintaining healthy coping skills and relationships
- Moving beyond victim, to survivor, to “thrivers”
